

# *Southern Illinois Resource Guide 2022*

*When Life Gives You Lemons*

This guide was made possible by Community Prevention Resources, the Regional Office of Education #21, and Southern Illinois Continuum of Care. It was funded in whole or in part by the Illinois Department of Human Services, Division of Substance Use Prevention and Recovery through a grant from the Substance Abuse and Mental Health Services Administration.

This guide is a continual work in progress. We try to gather as many resources for our community as possible, as well as update those resources to the best of our ability. If you would like to contribute to our guide with new or updated resources, please email Community Prevention Resources at [cpr@whoiscpr.com](mailto:cpr@whoiscpr.com).

We hope these resources will help make your journey a little easier, and maybe help turn any lemons you might be facing into lemonade.

The McKinney-Vento Homeless Education Assistance Act ensures the educational rights and protections of homeless children and youth so that they may enroll in school, attend regularly, and be successful. This act guarantees McKinney-Vento eligible children and youth the following:

The right to immediate enrollment in school, even if lacking paperwork normally required for enrollment.

The right to attend school in his/her school of origin (if this is requested by the parent and is reasonable) or in the school in the attendance area where the family or youth is currently residing.

The right to receive transportation to his/her school of origin, if this is requested by the parent or unaccompanied youth.

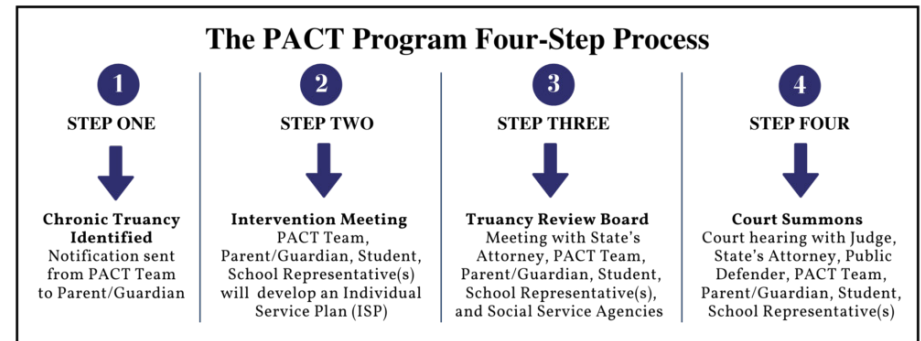

The right to services comparable to those received by housed schoolmates, including transportation and supplemental educational services.

The right to attend school along with children not experiencing homelessness.

## Truancy Intervention, ROE 21 PACT Team

The goal of our partners Against Chronic Truancy (PACT) Intervention Program is to provide support to schools as the schools provide K-12 students early assessment, intervention, and remediation of the factors related to Chronic Truancy. The focus of PACT is t aid students and their families in re-establishing regular attendance, normal school habits, and academic success.

COMMUNITY PREVENTION RESOURCES
